Please join us to discuss *Miss Morgan's Book Brigade* by Janet Skeslien Charles, based on a true story.

1918: As the Great War rages, Jessie Carson takes a leave of absence from the New York Public Library to work for the American Committee for Devastated France. Founded by millionaire Anne Morgan, this group of international women help rebuild destroyed French communities just miles from the front. Upon arrival, Jessie strives to establish something that the French have never seen—children's libraries. She turns ambulances into bookmobiles and trains the first French female librarians. Then she disappears.

1987: When NYPL librarian and aspiring writer Wendy Peterson stumbles across a passing reference to Jessie Carson in the archives, she becomes consumed with learning her fate. In her obsessive research, she discovers that she and the elusive librarian have more in common than their work at New York's famed library, but she has no idea their paths will converge in surprising ways across time.

The YES Fund provides grants to develop the future leaders of the Reform Movement, advocate for the voice and rights of women, and welcome diversity and inclusion throughout the Jewish world.

You can support causes such as **Jewish Education**. Thanks to the YES Fund, future leaders of Reform Judaism are given scholarships for rabbinical and cantorial studies at seminaries and institutions around the world, including the global campuses of Hebrew Union College and schools supported through The World Union for Progressive Judaism. WBT has achieved a milestone for the YES Fund! We have been added to the WRJ YES Fund Honor Roll for Chai Honor by donating at least \$18/member! This is the highest honor a women's group can earn for YES Fund donations! We are proud of our members who support Youth, Education, and Special Projects! Thank you to all who donated!
